CURRAN STREET PLAZA DECK **leak investigation and Design for Rehabilitation**

PCI Group's Involvement:

- **INITIAL EVALUATION AND RECOMMENDATIONS**
Evaluated conditions and found sources of leaks. Prepared comprehensive report with Recommendations and Budget Estimates.
- **DESIGN FOR REHABILITATION**
Prepared complete Design and Bid Documents to replace faulty waterproofing membrane, rework planters, install growth medium and vegetation.
- **CONTRACT ADMINISTRATION**
Conduct a pre-construction meeting, provide contract administration and construction inspections.

Total Construction Budget: \$800,000
